

BEACH PARTY

https://www.youtube.com/watch?v=-jkfcj_138Y

Hey everybody !
Let's trash the beach!

Trash junk up and down the beach,
Broken glass and a bottle of bleach.

Used condoms and underwear,
We're polluting and we don't even care!

Top* 6-pack-rings like a littering freak
And a bird can get them stuck at its feet.

Cause picking up trash is such a hassle*,
Bring more fun to build a garbage castle!

Rusty nails, dirty socks and soggy books,
Broken cans, rotting food and fishing hooks.

Who cares about the way it smells and how it looks?
Let's trash the beach!

Hey, I just punctured my foot with a hypodermic needle,
And I saw a seagull* chocking on a cork cock.

Cigarette butts, soda cans , and glasses case,
A diaper and a delly shoe* without a lace.

The party is an overture we trash the place!

Let's trash the beach!

Keep California Beautiful - Beach Party

Category: commercial

Summary: In a mock beach party musical number, people sing about trashing the beach.

Video:

Description

Shot in a style like old beach movies, a group of teens and young adults break into a musical number. But their words don't match the poppy beat they're singing. Their song is about reckless dumping of garbage and other waste on a beach.

In the end after a lyric "Let's trash the beach" appears the text:
ACTUALLY, LET'S NOT.

Air Date: July 2009

Shoot Location: Westward Beach, Malibu, CA
