

## BEACH PARTY

[https://www.youtube.com/watch?v=-jkfcj\\_138Y](https://www.youtube.com/watch?v=-jkfcj_138Y)

Hey everybody !  
Let's **trash** the beach!

**Trash junk** up and down the beach,  
Broken glass and a bottle of bleach\*.

Used condoms and underwear,  
We're polluting and we don't even care!

Drop 6-pack-rings like a **littering** freak\*  
And a bird can get them stuck at its beak.

Cause picking up **trash** is such a hassle\*,  
It brings more fun to build a **garbage** castle!

Rusty nails, dirty socks and soggy books,  
Broken pails\*, rotting food and fishing hooks.

Who cares about the way\* it smells and how it looks?  
Let's **trash** the beach!

Hey, I 've just punctured my foot with a hypodermic needle,  
And I saw a seagull\* chocking on a corn dog.

Cigarette butts, soda cans and glasses case,  
A diaper and a tennis shoe without a lace.

The party isn't over\* till\* we **trash** the place!

Let's **trash** the beach!

### Vocabulary \*

bleach = a powerful disinfectant

freak = a monster, a scary person

a pail = a plastic container children use to make sand castles

a hassle = a problem , a difficulty

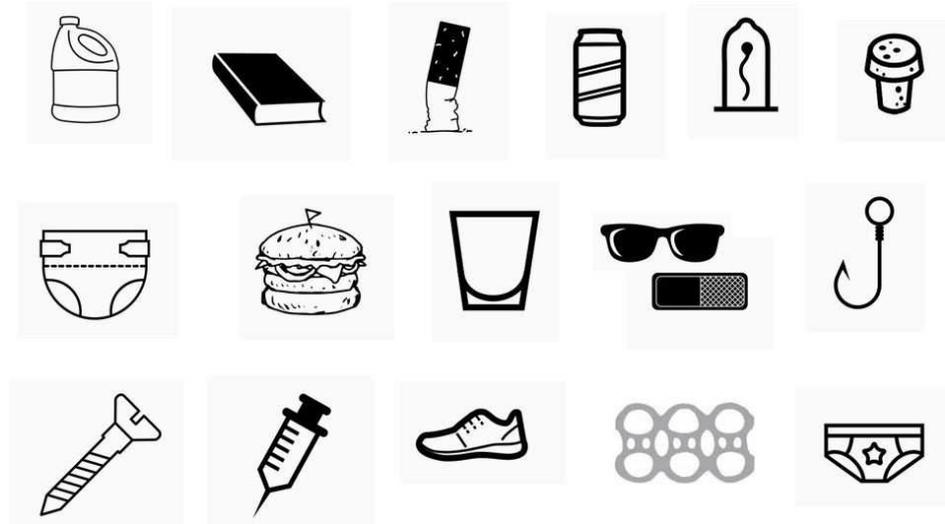

the way = the manner

a seagull = a white bird that lives by the sea.

over = finished (as in "Game Over")

till = until

1- Identify the following polluting items in the lyrics. Find the odd-one out (intrus)

2- The following adjectives are used to describe the state of some of these items . Match each adjective with its translation.

DIRTY / ROTTING / RUSTY / SOGGY  
détrempé – pourri - rouillé – sale -

3- Grammar: identify different verbs and sort them out in the grid, according to their tense and aspect

Aspect	Tense > √	Presnt	Past	Modality (mod. + Vb)	imperative
Simple					
Be + Vb-ing (continuous)					
Perfect
